**FOR IMMEDIATE RELEASE**

**Times are Tough: Wellspring Announces Discounts for *Fall Concert of Dance***

KALAMAZOO – Wellspring/Cori Terry & Dancers is responding to the current economic situation with discounted performances for families and students: “Pay-What-You-Can Sunday” and “College Night”.

Bring your family and your friends to the *Fall Concert of Dance* Sunday matinee on November 16 and Pay What You Can. Wellspring asks for a minimum donation of only \$5 per ticket (\$20 value). Children 5 and younger are always free! In order to receive the Pay-What-You-Can ticket discount, visit the Community Box Office at the Epic Center in downtown Kalamazoo.

Student tickets are always \$10 with I.D., and now, for one day only, they can see *Fall Concert* for only \$5! Thursday, November 20th is “College Night”. Students must show their I.D. to receive this deeply discounted offer. This discount is available at the Miller Auditorium Box Office and the Community Box Office in the Epic Center.

“By introducing ‘Pay-What-You-Can Sunday’ and ‘College Night’, we want to give everyone the opportunity to experience this fantastic performance,” says Executive Director Maria Suszynski. “Everyone’s wallet is lighter these days. The cost of a ticket should not be the barrier keeping our loyal patrons from returning or our community’s students and families from seeing world-class modern dance.”

*Fall Concert of Dance* runs November 14-15 & 20-22 at 8 pm, and Sunday, November 16 at 2 pm. Regular priced tickets are \$20 general admission, \$10 with student I.D. and free for children ages 5 and younger. Regular tickets can be purchased by calling (269)387-2300, going online to [www.millerauditorium.com](http://www.millerauditorium.com) or by visiting the Community Box Office at the Epic Center or Miller Auditorium.
